Another welcome...

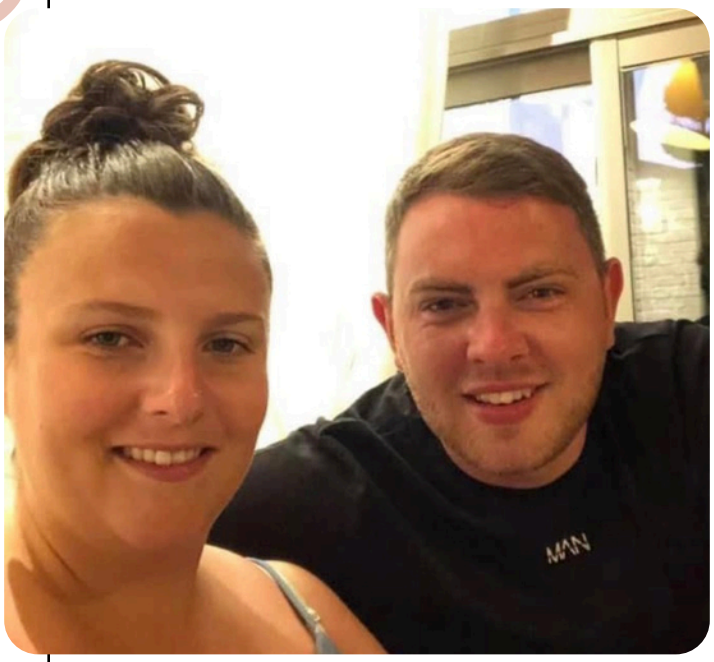

We are delighted to welcome Rosie to our wonderful family. Rosie is a mummy herself to two young children and is looking to get her teeth stuck into her new role. Rosie will be based in our Little Dinos room and we are sure you will join us in welcoming her.

Good luck....

We would love to congratulate our very own Katie who flys out to Cyprus next week to get married to her partner Jack. An incredibly exciting month for her and we wish her all the very best.
After Katie joined us on day one we have enjoyed watching her life play out, from becoming a home owner, to 3 gorgeous children and now becoming a bride. It's been a pleasure.

Sleep guidance...

There has been some changes to sleep guidance recently and you will be pleased to hear we were already doing these things, i.e recording sleep checks, having breathable matresses etc but the one we wanted to highlight to you is that if you arrive at nursery and your child is sleeping we will need to rouse them to ensure our safeguarding standars remain high, equally we will not be sending a child home asleep, they will again be roused.
We thank you for your understanding and support with this
