The Dolphin
Pre School and Nursery

APRIL & MAY Newsletter

A warm welcome.....

We would like to take the opportunity to welcome Amelie, Munro, Margot, Izac, Ashley, Kingsley & Connie to the Dolphin family.
We are so pleased you choose us, we cannot wait to settle you in as we begin to make memories together.

Nursery close dates....

Please note that we will be closed

Monday 5th May
Monday 26th May

For the May bank holidays

And don't forget we don't charge you when we are closed.

Nursery places..

We have been inundated with enquiries in the past few weeks, especially with the new funding coming in this September. The message is getting out there that it is never too early to begin looking for childcare, so if you know anyone pregnant then please send them our way.
Also with this in mind there are still a number of people not using all their funded hours.
So, if you are looking to increase then please do get in early as these hours won't be around for long.

A warm welcome...

We would like to take this opportunity to introduce you to our new team members who will be joining us within the next few weeks.

First up we have Lucy....
Lucy started out as a parent herself when she chose Dolphin many years ago for her daughter, so she see's it from both sides.
Lucy's background is in Hospice care, where she campaigned and fundraised to make sure all of the families got the all important end of life care they so rightfully deserve. So with a big heart and keen knowledge on funding and all things numbers, she is coming on board as our Financial Administrator and will be supporting both Mel & Paul in their job roles.

Next up we have Gracie...
Gracie has joined us over the busy summer period and will be based in our Pre-school room. Gracie is expecting a little one herself and is due at the end of the summer, so what better preparation for her. And in true Dolphin fashion, she makes the 3rd person to fall pregnant, we knew it was coming haha

And finally we have Anna.
Anna has worked in childcare for a number of years and being a mum herself brings along a fountain of knowledge.
Anna will be supporting our Little Explorers team as she settles into Dolphin.

Please join us in welcoming these ladies into their new roles.
