The Dolphin
Pre School and Nursery

August Newsletter

A warm welcome.....

We would like to take the opportunity to welcome Benjamin & Walter to the Dolphin family. We cannot wait to settle you in, huge thank you for choosing us.

Our special month...

This month we celebrate being open for 14 years!!!!!
To think fifteen years ago this was all a dream, and now we are the proud owners of 4 wonderful nurseries and we just keep on growing. We have made such wonderful memories along the way and are so thankful that you and your family are amongst them. Thank you for choosing us.

WOW what a popular month to have a birthday, we would also like to wish Ashleigh, Paul, Anna, Tash, Fran, Sophie, Charlie & Katie a very Happy Birthday too. We hope you all have a lovely day.

Closing dates..

Can we remind you we are closed on Monday 25th due to it being a Bank Holiday.

We also close at 2pm on Wednesday 24th December until Monday 5th January for our Christmas break.

Exciting news....

We have recently recruited a new man to join our Coastal family, and would love to introduce you to Dan. (Paul is very happy he's no longer the only man haha)

Dan will be looking after our social media and supporting Kyah with marketing. Two roles you don't always see front of house in childcare however it's crucial in showcasing what we do well in the building while parents are so busy at work. Dan will also be our handy man looking after the maintenance side of all of our nurseries. With his artistic flare and extrovert personality we just know he is perfect for the job. Dan is actually an old parent of ours, and after watching his two children grow up under Dolphins wings, he knows exactly how we work and what we want to achieve. He is a fun and vibrant character so we know the children will love him. Fun Fact - Dan is also in a band and enjoys playing gigs in his spare time.

We hope you will join us by welcoming Dan into the family.

Reminder..

Can we just take a minute to remind you the importance of safeguarding.

This includes the front door and secure entrances into the children's play areas.

Please allow only team members to open the front door and let parents in and opening the gate to preschool.

Can we also ask that this message is shared with grandparents. Thank you

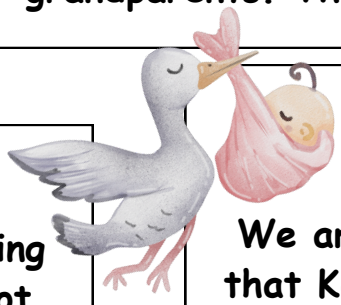

22

Hours from September

Funding...

We still have lots of families not using their full entitlement. If you are not using all of your hours and would like to extend your child's day then please let us know so that we have plenty of time to update the funding before it begins in September.

Don't forget all children over 9 months are eligible for 22 hours a week across the 51 weeks a year we are open.

Congratulations....

We are delighted to announce that Katie and her Fiance Jack have welcomed their new tiny bundle into the world and she is simply perfect.

Little Olive was born nice and healthy last week and has completed their family, making both Neve and Indie big sisters.

Congratulations to the family.
