The Dolphin
Pre School and Nursery

JUNE Newsletter

A warm welcome.....

We would like to take the opportunity to welcome Isla & Bonnie to the Dolphin family.
We are so pleased you choose us, we cannot wait to settle you in as we begin to make memories together.

Thank you..

A huge thank you for your feedback on our recent parent questionnaire, we were blown away by the feedback and have already started putting things into place.

Carpark..

Can we please remind you to drive into the carpark slowly and safety, we have seen a number of cars drive into the carpark at speed and this is a area used by lots of small people.
The carpark is for the use of our Little Dino's parents with small children, there is alternative parking around by the church and we have an agreement with them for you to be able to use it for short periods of the day while your dropping off or picking up.

Upcoming workshops....

We are delighted to let you know we have Debbie from the bladder & Bowel team coming along to do workshop around all things toileting. From the early signs to night time training and everything in between, it is an opportunity not to miss.
It is on Thursday 26th June from 6-7.30pm at The Manor Hotel in Exmouth.
Unfortunately this is a child free event, due to space.
However if you have friends interested then please bring them along also, just let us know.

2nd - Evie (4)
12th - Nellie (2)
13th - Sidney (1)
15th - Sebby (4)
20th - Wilf (3)
25th - Eden (4) & Leo (3)
28th - Georgia (1) 7 Louis (3)

We would like to wish Kyah & Annie a very happy birthday too. We hope you all have a lovely day.

A warm welcome...

We would like to take this opportunity to introduce you to our new team members who will be joining us this month.

First up we have Courtney....

Courtney has been with us for a couple of months on placement while studying hard at college. She is keen to continue supporting the team and learn with some quality hands on experience.

Next up we have Isla...

Isla has recently sat here GCSEs and is ready to start an apprenticeship with Exeter College in September

And finally we have Maisy...
Abit like Isla, Maisy has also just completed her GCSEs and is ready to begin her next step as an apprentice in September

Please join us in welcoming these ladies into their new roles.

Our Coastal Curriculum

We are delighted to share with you that we are launching a whole new curriculum that we have designed ourselves.
It has been in the planning stages for a while however we are ready to now go live with it.
Our team have some training sessions booked and we will be trialing it over the summer to ensure it works as planned and fix any bugs.

This will then become a working document in place from 1st September 2025

This new curriculum will be able to track your child's development in the same way the old development matters did, however this is much more personal to your child's journey and we will be bringing all of our documents together, which will include their 2 year check and our monitoring tool used to track children's speech development.

This will also enhance our all about me books as we link them up for a full learning journey of their time with us.

We are looking at holding another workshop so that we can inform parents of the changes and show you all what this looks like, so keep your eyes peeled in the early Autumn term when we will have more details.

And finally back by popular demand.....

On the back of the parent questionnaire, we would love to share with you that parents evenings will be making a return.
October 2025 you will be invited in for a short informal chat to discuss your child's development and next steps away from the hustle and bustle of collection time.
