# MARCH Newsletter

## A few updates...

If you are yet to get your funding codes into us ready for April then please note Mel will need to check these codes in order to activate them. Please keep an eye on your emails for our funding loop information and ensure you have applied for your code by the end of March, we would hate for anyone to miss out. If you are unsure when your funding begins please speak to the office. By now you will have also had your email about our funding and hourly rate increases. We thank you for your understanding and are proud to be able to continue to offer great quality flexible childcare and enable us to continue paying our wonderful team above minimum wage as we believe they are more than worth it.

## World book day..

This Thursday marks World Book Day and we would love to celebrate all things books as we dress up and share our love of stories.

## Mobile phones..

Please can we remind you that Mobile Phones are not to be used in the room with the children.
Should you need to take a call please step outside the building to do so.
This is to support our safeguarding policy and our main aim is keeping your children safe. Thank you

## Our family is growing....

So as we announced last month that Brooke was returning to work, our last lady on maternity, we were then delivered some amazing news!!
We are delighted to announce that both Katie and Georgia are expecting their very own bundles of joy.
Katie and her partner Jack already have two lovely little girls so we are excited to see if this one is team blue or pink.
And Georgia and her husband Sam already have a gorgeous little girl so we are equally excited to see their family grow.
Working in a female dominant environment, we usually joke about this coming in 3's - so will anyone follow?
Either way with both girls heading off on maternity this summer, we are sure you will join us in wishing them well.
