MARCH Newsletter

Better days are coming....

Can you believe we are in March already..... Spring is in the air. With the clocks changing this month we are hopeful for lighter evenings and warmer days and we are all looking forward to getting out and about and exploring our local community.

Please can we remind you that we are closed Friday 3rd April and Monday 6th April for Easter weekend

Good luck...

A huge Good Luck to two of our families who are due to welcome their little ones into the world in the coming weeks, both children have been registered for a while and their space is waiting. Exciting times, baby room spaces are filling fast so if you know of anyone pregnant, please encourage them to register early to avoid disappointment.

Another welcome...

We are delighted to welcome Annie to our wonderful family. Annie is stepping into the world of childcare after running her own very successful buisness for a few years, she was looking for a rewarding job to run alongside her buisness and we were the perfect fit. Annie will be working across all of our rooms to gain some experience and build her knowledge up. However if your looking for the perfect Mother's Day gift for those wonderful ladies in your life then look no further.... Annie also owns Enhancements by Annie a beautiful little setting along Exeter Road and even does children's pamper parties, so head over and check out her page, she has some offers on this month so hurry now and get booked in for a wonderful treat.

We are sure you will join us in welcoming Annie into the family.
