The Dolphin
Pre School and Nursery

OCTOBER Newsletter

A warm welcome.....

We would like to welcome Grace & Olive to the Dolphin.
What an exciting time to join our family as we celebrate all things Autumn.

And this month we also welcome back Katie from maternity leave which we are excited about. Read on to learn more about Katies job role.

Ofsted update..

A few new recommendations have come into place since September 2025 so we are busy putting these into action.
One we wanted to make you aware of is absences. From now on if a child is late as part of safeguarding we are now expected to make contact with you.
If you're simply running late or want a slower morning then please do ring ahead and let us know so we don't hassle you.
Communication is something we pride ourselves on and we are pleased we can work together with you on this one.
Thank you for your understanding

BIRTHDAY

1st - Loui (2)
4th - Freddie (2)

24th - Indie (3)
26th - Poppy (2)
31st - Connie (3)

We would also like to wish Donna a very Happy Birthday too. We hope you have a lovely day.

TRICK OR TREAT

Our Special Educational Needs Coordinator..

We would also like to re-introduce you to Katie.
Katies job is to oversee all of our SENDCo's across our Coastal family. Our main aim is to ensure EVERY child is given the same opportunities to reach their very own potential, whatever that may look like. We love to celebrate each and every milestone, and give a voice to those children who need it. We feel that early intervention is key and we offer support and refer to agencies that may be of use, including speech and language. We feel giving these children support from an early age sets them up for a smooth transition into primary school when the time comes.
Chelsea also offers support to our children and attends meetings alongside Katie, and often puts interventions in place into planning so the children receive support each time they are in with us.
We are very thankful to have them both.

Invoices.....

We would like to remind you all of our invoicing policy.
We invoice at the beginning of the month and this is to be settled by the 7th
We encourage parents to use Tax Free Childcare as every little helps.

Lisa is in charge of payments so we ask for these to be made prompt as it takes a lot of time to chase up late payments.

We ask again for open communication, if your payment is going to be late please let us know in advance so that we can cut down a workload.

Katie

Chelsea

New menu...

We are always busy tinkering away with our menu and ensuring we get both a healthy balanced diet and also offering things the children enjoy.
We have a new menu and we will be trialling this for a few weeks before we launch it to you, so please keep your eyes peeled

A warm welcome....

We are excited to announce that Becky has joined our Dolphin family.
Becky has been in childcare a number of years and started off as a parent here, so therefore she understands the importance of our values and expectation's. Becky will be based in our Little Explorer's room.

Another warm welcome..

We are all excited to announce that Lucy has also joined our Dolphin family. Lucy has been working for Coastal for 18 months and has come along to join us here at Dolphin, She will be doing Monday's and Tuesday's in Our Little Dino's room due to an increase in baby enquires. She is already a big hit with the smallest of members of our family.

We are sure you will join us in welcoming them both.

One final warm welcome...

We would also love to announce that Georgia from Pre-school has safely welcomed her little bundle of Joy into the world. Baby Ada arrived a few weeks ago and both mum and baby are doing well.
We have had a busy few months of welcoming new bambinos into our every growing family.
