Team update..

We wanted to let you know that Corinna will be taking some time of due to upcoming surgery. Katherine will be covering Corinna until she returns, Katherine has worked under Coastal for a number of years and as well as knowing our team she has also already meet some of our lovely families so we hope this ensures a smooth process. We wish Corinna all the best and we will welcome her back with open arms on her return.

Our parent station...

We have lots of new families that have joined us recently, so we wanted to remind you of our parent station in the porch area. This station is for sole use of our Dolphin families. Whether it's a hot drink and fruit or a cereal bar on your way to work after a busy morning or a cupboard staple to help you make tea in the evenings, please help yourself to anything you see and we will restock this daily.

We also have a coat swap too so if your child is needing a new winter coat and you see one you like please help yourself, if you have any unwanted coats, please feel free to leave them in the office and we can make sure we have an array of sizes on offer.

Hello autumn

GOODBYE

We have to announce the sad departure of Fran aka Miss Peek a Boo who has decided to fly the Dolphin nest and seek pastures new. A firm favourite with the children for her eccentric personality and alter ego as the best Tiger around Exmouth we will miss her cheery face but we wish her well in the future.

Social Media..

Please don't forget to head over and follow us on Social Media, you will find us on Facebook and Instagram. We often share team news and you may get a glimpse of your child happily playing and enjoying the fun activities on offer.

Congratulations..

We would love to let you know that Gracie from Pre-school safely welcomed her new baby girl into the world. Baby Sienna and mum are doing really well, and we wish them well in the future.

Christmas fun..

Christmas Jumper day - Thursday 11th December

Christmas Nativity (preschool)- Saturday 6th December

Outside agencies..

We are really proud here at Dolphin that we use outside agencies to enhance our already fantastic curriculum. We have regular visits from Kara at Rainbow warriors who specialises in Yoga, we have Jess from Robot Reg who offers fun phonics sessions, and we also have Natalie from Drama Tots who create fun workshops around music and movement. Alongside this we have regular trips out to nursing homes, our beautiful beach, our well stocked library and some of the local parks. It's never a dull day, we are always busy planning the next fun excursion.

Uniform...

We stock a variety of uniform here at Dolphin for you to be able to purchase. These give children an identity and they love to be matching with our team. It also saves their clothes getting messy and gives you designated nursery attire. We have polo tops, jumpers and cardigans.

If you wish to purchase these please pop into the office and let us know.

We can add these to your next invoice too keeping it super simple for you.
